

ETERNAL ANCHOR

Greetings! As we enter the new year, we want to take a little time to share with you how God has blessed Eternal Anchor in 2017. In three short years we have seen incredible growth, which we can attribute to God's provision, the generosity of our partners and supporters and the hard work and dedication of our staff and volunteers.

Through our many programs we are able to develop relationships and offer services to more than 90 families each week. Our education programs offer physical therapy, life skills training and communication classes. And at the Eternal Anchor Ranch, we provide therapeutic riding sessions.

It has been an awesome year and we now enter 2018 with hope and anticipation. This year, we begin fundraising for our school building. With a new facility, we will have the capacity for 80 children, allowing us to double in size and accept more children from our waitlist. We also plan on expanding our adult program to include job training and community work assignments; and this summer we hope to finish our second home.

We want to thank you for your faithful support and invite you to continue partnering with us in this new year. By praying, giving and volunteering, you can help Eternal Anchor staff continue to empower families, affirm the dignity and value of our students and spread the hope and love of Jesus to our community.
